EMPLOYEE PROPRIETARY INFORMATION AND INVENTIONS AGREEMENT

This Agreement sets forth in writing certain understandings and procedures applicable to my employment with [Company], Inc. (the “Company”) and these understandings and procedures apply from the date of my initial employment with Company (my “Employment Date”) even if this Agreement is signed by me and Company after the Employment Date.

1. Duties. In return for the compensation and benefits now and hereafter paid or provided to me, I hereby agree to perform those duties for Company as Company may designate from time to time. During my employment with Company, I further agree that I will (i) devote my best efforts to the interests of Company, and (ii) not engage in other employment or in any conduct that could either be in direct conflict with Company’s interests or that could cause a material and substantial disruption to Company and (iii) otherwise abide by all of Company’s policies and procedures as they may be established and updated from time to time. Furthermore, I will not (a) reveal, disclose or otherwise make available to any unauthorized person any Company password or key, whether or not the password or key is assigned to me or (b) obtain, possess or use in any manner a Company password or key that is not assigned to me. I will use my best efforts to prevent the unauthorized use of any laptop or personal computer, peripheral device, cell phone, smartphone, personal digital assistant (PDA), software or related technical documentation that the Company issues to me. I will not input, load or otherwise attempt any unauthorized use of software in any Company computer or other device, whether or not the computer or device is assigned to me.

2. “Proprietary Information” Definition. “Proprietary Information” means (a) any information that is confidential or proprietary, technical or non-technical information of Company, including for example and without limitation, information that is a Company Innovation or is related to any Company Innovations (as defined in Section 5 below), concepts, techniques, processes, methods, systems, designs, computer programs, source documentation, trade secrets, formulas, development or experimental work, work in progress, forecasts, proposed and future products, marketing plans, business plans, customers and suppliers, employee information (such as compensation data and performance reviews) and any other nonpublic information that has commercial value and (b) any information Company has received from others that Company is obligated to treat as confidential or proprietary, which may be made known to me by Company, a third party or otherwise that I may learn during my employment with Company.

3. Ownership and Nondisclosure of Proprietary Information. All Proprietary Information and all worldwide patents (including, but not limited to, any and all patent applications, patents, continuations, continuation-in-parts, reissues, divisional, substitutions, and extensions), copyrights, mask works, trade secrets and other worldwide intellectual property and other rights in and to the Proprietary Information are the property of Company, Company’s assigns, Company’s customers and Company’s suppliers, as applicable. Subject to Section 12 (Defend Trade Secrets Act), I will not disclose any Proprietary Information to anyone outside Company, and I will use and disclose Proprietary Information to those inside Company only as necessary to perform my duties as an employee of Company. Nothing in this Agreement will limit my ability to provide truthful information to any government agency regarding potentially unlawful conduct. If I have any questions as to whether information is Proprietary Information, or to whom, if anyone, inside Company, any Proprietary Information may be disclosed, I will ask my manager at Company.

4. “Innovations” Definition. In this Agreement, “Innovations” means all discoveries, designs, developments, improvements, inventions (whether or not protectable under patent laws), works of authorship, information fixed in any tangible medium of expression (whether or not protectable under copyright laws), trade secrets, know-how, ideas (whether or not protectable under trade secret laws), mask works, trademarks, service marks, trade names and trade dress.

5. Disclosure and License of Prior Innovations. I have listed on Exhibit A (Prior Innovations) attached hereto all Innovations relating in any way to Company's business or demonstrably anticipated research and development or business (the "Company-Related Innovations"), that were conceived, reduced to practice, created, derived, developed, or made by me alone or jointly with others prior to my Employment Date and to which I retain any ownership rights or interest (these Company-Related Innovations collectively referred to as the "Prior Innovations"). I represent that I have no rights in any Company-Related Innovations other than those Prior Innovations listed in Exhibit A (Prior Innovations). If nothing is listed on Exhibit A (Prior Innovations), I represent that there are no Prior Innovations as of my Employment Date. I hereby grant to Company and Company's designees a royalty-free, transferable, irrevocable, worldwide, fully paid-up license (with rights to sublicense through multiple tiers of sublicensees) to fully use, practice and exploit all patent, copyright, moral right, mask work, trade secret and other intellectual property rights relating to any Prior Innovations that I incorporate, or permit to be incorporated, in any Innovations that I, solely or jointly with others, create, derive, conceive, develop, make or reduce to practice within the scope of my employment with Company (the "Company Innovations"). Notwithstanding the foregoing, I will not incorporate, or permit to be incorporated, any Prior Innovations in any Company Innovations without Company's prior written consent.

6. Disclosure and Assignment of Company Innovations. I will promptly disclose and describe to Company all Company Innovations. I hereby do and will irrevocably assign to Company or Company's designee all my right, title, and interest in and to any and all Company Innovations, which assignment operates automatically upon the conception of the Company Innovations. To the extent any of the rights, title and interest in and to Company Innovations cannot be assigned by me to Company, I hereby grant to Company an exclusive, royalty-free, transferable, irrevocable, worldwide, fully paid-up license (with rights to sublicense through multiple tiers of sublicensees) to fully use, practice and exploit those non-assignable rights, title and interest, including, but not limited to, the right to make, use, sell, offer for sale, import, have made, and have sold, the Company Innovations. To the extent any of the rights, title and interest in and to Company Innovations can neither be assigned nor licensed by me to Company, I hereby irrevocably waive and agree never to assert the non-assignable and non-licensable rights, title and interest against Company, any of Company's successors in interest, or any of Company's customers.

7. Future Innovations. I will disclose promptly in writing to Company all Innovations conceived, reduced to practice, created, derived, developed, or made by me during my employment with Company and for three (3) months thereafter, whether or not I believe the Innovations are subject to this Agreement, to permit a determination by Company as to whether or not the Innovations are or should be considered Company Innovations. Company will receive that information in confidence.

8. Cooperation in Perfecting Rights to Company Innovations. I agree to perform, during and after my employment, all acts that Company deems necessary or desirable to permit and assist Company, at its expense, in obtaining and enforcing the full benefits, enjoyment, rights and title throughout the world in the Company Innovations and all intellectual property rights therein as provided to Company under this Agreement. If Company is unable for any reason to secure my signature to any document required to file, prosecute, register or memorialize the assignment of any rights or application or to enforce any right under any Company Innovations as provided under this Agreement, I hereby irrevocably designate and appoint Company and Company's duly authorized officers and agents as my agents and attorneys-in-fact to act for and on my behalf and instead of me to take all lawfully permitted acts to further the filing, prosecution, registration, memorialization of assignment, issuance, and enforcement of rights under the Innovations, all with the same legal force and effect as if executed by me. The foregoing is deemed a power coupled with an interest and is irrevocable.

9. Return of Materials. At any time upon Company's request, and when my employment with Company is over, I will return all materials (including, without limitation, documents, drawings,

papers, diskettes and tapes) containing or disclosing any Proprietary Information (including all copies thereof), as well as any keys, pass cards, identification cards, computers, printers, pagers, cell phones, smartphones, personal digital assistants or similar items or devices that Company has provided to me. I will provide Company with a written certification of my compliance with my obligations under this Section.

10. No Violation of Rights of Third Parties. During my employment with Company, I will not (a) breach any agreement to keep in confidence any confidential or proprietary information, knowledge or data acquired by me prior to my employment with Company or (b) disclose to Company, or use or induce Company to use, any confidential or proprietary information or material belonging to any previous employer or any other third party. I am not currently a party, and will not become a party, to any other agreement that is in conflict, or will prevent me from complying, with this Agreement.

11. Defend Trade Secrets Act. Pursuant to the Defend Trade Secrets Act of 2016, I acknowledge that I shall not have criminal or civil liability under any Federal or State trade secret law for the disclosure of a trade secret that (A) is made (i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. In addition, if I file a lawsuit for retaliation by the Company for reporting a suspected violation of law, I may disclose the trade secret to my attorney and may use the trade secret information in the court proceeding, if I (X) file any document containing the trade secret under seal and (Y) do not disclose the trade secret, except pursuant to court order.

12. Survival. This Agreement (a) shall survive my employment by Company; (b) does not in any way restrict my right to resign or the right of Company to terminate my employment at any time, for any reason or for no reason; (c) inures to the benefit of successors and assigns of Company; and (d) is binding upon my heirs and legal representatives.

13. Injunctive Relief. I agree that if I violate this Agreement, Company will suffer irreparable and continuing damage for which money damages are insufficient, and Company is entitled to injunctive relief, a decree for specific performance, and all other relief as may be proper (including money damages if appropriate), to the extent permitted by law, without the need to post a bond.

14. Notices. Any notice required or permitted by this Agreement shall be in writing and shall be delivered as follows, with notice deemed given as indicated: (a) by personal delivery, when actually delivered; (b) by overnight courier, upon written verification of receipt; (c) by facsimile transmission, upon acknowledgment of receipt of electronic transmission; ; (d) by email, effective (A) when the sender receives an automated message from the recipient confirming delivery or (B) one hour after the time sent (as recorded on the device from which the sender sent the email) unless the sender receives an automated message that the email has not been delivered, whichever happens first, but if the delivery or receipt is on a day which is not a business day or is after 5:00 pm (addressee's time) it is deemed to be received at 9:00 am on the following business day; or (e) by certified or registered mail, return receipt requested, upon verification of receipt. Notices to me shall be sent to any address in Company's records or other address as I may provide in writing. Notices to Company shall be sent to Company's Human Resources Department or to another address as Company may specify in writing.

15. Governing Law; Forum. The laws of the Federal Republic of Nigeria govern all matters arising out of or relating to this Agreement without giving effect to any conflict of law principles. Company and I each irrevocably consent to the exclusive personal jurisdiction of the federal and state courts located in Nigeria, as applicable, for any matter arising out of or relating to this Agreement, except that in actions seeking to enforce any order or any judgment of the federal or state courts located in Abuja, Nigeria, personal jurisdiction will be nonexclusive. Additionally, notwithstanding anything in the

foregoing to the contrary, a claim for equitable relief arising out of or related to this Agreement may be brought in any court of competent jurisdiction. For the avoidance of doubt, the foregoing terms will control over any conflicting terms in my offer letter.

16. Severability. If an arbitrator or court of law holds any provision of this Agreement to be illegal, invalid or unenforceable, (a) that provision shall be deemed amended to provide Company the maximum protection permitted by applicable law and (b) the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected.

17. Waiver; Modification. If Company waives any term, provision or breach by me of this Agreement, such waiver shall not be effective unless it is in writing and signed by Company. No waiver shall constitute a waiver of any other or subsequent breach by me. This Agreement may be modified only if both Company and I consent in writing.

18. Assignment. The rights and benefits of this Agreement shall extend to all successors and assigns of the Company, whether by merger, reorganization, sale of assets, operation of law or otherwise.

19. Entire Agreement. This Agreement, including any agreement to arbitrate claims or disputes relating to my employment that I may have signed in connection with my employment by Company, represents my entire understanding with Company with respect to the subject matter of this Agreement and supersedes all previous understandings, written or oral.
